

**Be insured  
by those who  
know you best.**

Insurance exclusively  
made for doctors.

 **OMA** Insurance

# Chosen by most doctors, tailored for you.

Comprehensive coverage for every  
stage of your life and career.

Every physician's career is unique, and so are their coverage needs. OMA Insurance delivers customized protection tailored to your life and practice.

# We're fluent in physician needs.

When it comes to insurance, as a doctor, you deserve a provider that places your interests at the forefront. For more than six decades, OMA Insurance has been that provider for physicians, delivering policies that do more than just cover – **they care.**

Benefit from member-owned, non-commissioned advice focused on enhancing your professional and personal well-being.

Receive unbiased guidance from licensed experts who understand your unique needs and challenges as a physician.

Secure exclusive, doctor-focused insurance designed to protect your career investments and help build financial wellness.

Contact an OMA Insurance advisor today to learn more about how we can help you on your journey towards financial well-being.
