

Professional Overhead Expense

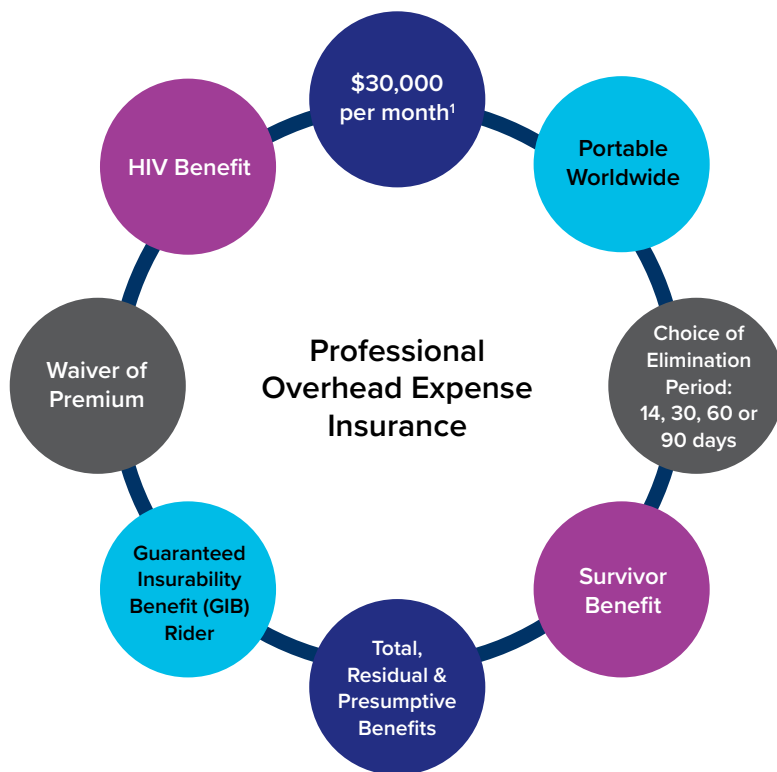

Cover your overhead without being in over your head.

Created specifically for physicians, Professional Overhead Expense (POE) insurance provides cost-effective coverage for your share of fixed monthly business expenses including employee salaries, rent, utilities, mortgage interest, office equipment depreciation, professional dues and other costs.

Even if you have disability insurance to protect your lifestyle, POE helps reimburse many of the expenses that come with running your practice, in case you're unable to work – keeping your business operating smoothly during your absence.
